## **Statement of why nominee would make a good office holder**

Alice has been a very active member of the Good Shepherd congregation and has both initiated and been involved in outreach, morning prayer, LEV, bible study, adult ed and children's Sunday School and has also been on the Vestry for the past two years. She would like to also be involved at the Diocesan level and learn more about and participate in decisions on the budget and other matters which the Council considers. Alice has been a strong proponent of more development and involvement of the gifts of the laity. Alice would also see serving on the Council as an opportunity to meet people from other parishes and work together serving the entire Diocese of Utah. Through outreach, Alice, for the last two years, has served at St. Anne's homeless shelter by serving ice cream and a DVD weekly to the children and also interacting with their parents. Alice is very familiar with community services as she has for the past seven years taken in foster boys in their late teens and through interaction with their families has been exposed to the many needs that are often unmet.
