Statement of why nominee would make a good office holder

I have been serving as a member of the Diocesan Council for the past two years, having been elected to an unfilled term in 2013. I am very interested in continuing to serve the Diocese in this capacity. Working with clergy and lay persons from across the state has provided me with a much broader view of the presence of the church in Utah, and the importance of maintaining that presence. Our current ability to support congregations, social justice ministries, and the people of our state means a great deal to me.

Thank you for the opportunity to serve for the past two years, and for considering me as a candidate for the next term.

Has the nominee has affirmed that he/she is willing to serve?	Yes
